Disclosure Requirements

1. Disclosure of Campaign Contributions
   If you wish to participate in the following proceedings, you are prohibited from making a campaign contribution of more than $250 to any commissioner or alternate. This prohibition begins on the date you begin to actively support or oppose an application before LAFCO and continues until three months after a final decision is rendered by LAFCO. No commissioner or alternate may solicit or accept a campaign contribution of more than $250 from you or your agent during this period if the commissioner or alternate knows, or has reason to know, that you will participate in the proceedings. If you or your agent have made a contribution of more than $250 to any commissioner or alternate during the twelve (12) months preceding the decision, that commissioner or alternate must disqualify himself or herself from the decision. However, disqualification is not required if the commissioner or alternate returns the campaign contribution within thirty (30) days of learning both about the contribution and the fact that you are a participant in the proceedings.

2. Lobbying Disclosure
   Any person or group lobbying the Commission or the Executive Officer in regard to an application before LAFCO must file a declaration prior to the hearing on the LAFCO application or at the time of the hearing if that is the initial contact. Any lobbyist speaking at the LAFCO hearing must so identify themselves as lobbyists and identify on the record the name of the person or entity making payment to them.

   If the proponents or opponents of a LAFCO proposal spend $1,000 with respect to that proposal, they must report their contributions of $100 or more and all of their expenditures under the rules of the Political Reform Act for local initiative measures to the LAFCO Office.
