

**EXECUTIVE OFFICER'S AGENDA REPORT
JANUARY 28, 2015**

TO: LAFCO Commissioners

FROM: Sara Lytle-Pinhey, Assistant Executive Officer *SLP*

SUBJECT: ANNUAL CITY ANNEXATION SUMMARY

Each year, Staff provides the Commission with a summary of annexations that have occurred over the past year and the present acreages for each city. In past reports, Staff also provided a 50-year summary of city annexations, a detailed sphere of influence history report, and an inventory of important farmlands around each city. These reports remain available on the LAFCO website at: <http://www.stanislauslafco.org/> under the "Information & Maps" tab.

In 2014, a total of 1,208 acres were annexed to cities in Stanislaus County. The majority of this acreage was included as part of the Arambel-KDN Business Park Reorganization to the City of Patterson. Below are the current acreages for the spheres of influence and city limits for each of the nine cities. The arrows indicate the acreage increases that occurred in 2014. The column on the right represents the remaining acreage within each city's sphere of influence.
